

Days Between Oral Argument and Opinion Filing

This table shows the average number of days between oral argument and the filing of majority opinions authored by each of the justices. Given that a variety of factors could influence the length of time between oral argument and the filing of an opinion in a particular case—including the time taken by other justices to write concurring or dissenting opinions—averages for individual justices should be compared over an extended period.

	Number of Majority Opinions Authored	Ave. No. of Days From Oral Argument to Opinion Filing
Abrahamson	11	101
Bradley	12	99
Butler	11	157
Crooks <sup>1</sup>	10	113
Wilcox	11	123
Prosser	11	208
Roggensack	12	160

---

<sup>1</sup> The total for Justice Crooks does not include *State v. Tiepelman*, in which there was no oral argument.
